

Relational Organisational Gestalt (ROG)

Phase Two Training - Peer learning and Applications Group (PAG)

The purpose of the group is twofold:

1. To provide opportunity to extend, consolidate and apply the learning gained in year 1 of the ROG programme.
2. To support people to prepare their portfolio/dossier of evidence and reflection as required for submission when applying for the award of GPO; (Gestalt Practitioner in Organisations – awarded by European Association for Gestalt Therapy – EAGT).

To support this, learning will be via an Action Learning process wherein personal awareness process, theoretical learning and application of knowledge will be supported.

As such, there will be inclusion of the following Learning Opportunities, (LOs):

- Consulting/supervision re live material and case presentation
- Support with reading and writing relevant to the Case Study.
- Personal awareness work in small/large group settings
- Real Case Consultation
- Coaching/mentoring as required.

PAG Module One

The following will be covered:

- Formation of the peer process/action learning group
- Establishing the learning Contract
